# OUR MISSION

SCOPE provides children from underserved communities with life-changing opportunities through the experience of summer camp.

We fund camp scholarships “camperships” to send children who commit to staying in school to nonprofit resident camps which will empower them to develop to their full potential.

# A Letter From Our Leadership

To the greatest donors and supporters we know,

There are so many children who need camp. Children who benefit from the social experience, from the healthy risk-taking, from the exploration of independence in a safe environment, and just from the fun of it all. These same children who need camp also need your continued support to make it possible.

You are the wonderful, dedicated, kind and devoted support system we are endlessly grateful for. By once again supporting SCOPE, you will help make camp accessible for hundreds of children!

*“When I found out that I was picked to come to camp, I cried because I was so excited. I am going to meet new friends, swim and ride horses. Camp is my favorite thing I get to do all summer. Thank you! One day when I grow up I will pay for someone else to go to camp.” – Tia, 9 years old, Foster Child*

You made camp possible for Tia. The support you give to SCOPE delivers the gift of a lifetime to children who truly benefit from camp. Children who will one day want to pay that forward for another child, just as you have.

It’s incredible. Yet so simple. With your help, we will continue to provide overnight summer camp experiences and access to educational opportunities for children from low-income families.

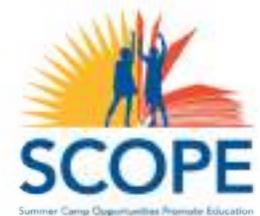

Please continue to make a difference by [giving today!](#) We hope you will continue the journey with us, as we embark on another inspiring year of giving the gift of camp.

Thank you!

With our gratitude and appreciation,

Justin Mayer, SCOPE Board President

Molly Hott Gallagher, SCOPE Executive Director

# SUMMER CAMP OPPORTUNITIES PROMOTE EDUCATION

## SUMMER

Summer camp is a partner in the education of children. SCOPE bridges the opportunity gap by making summer camp accessible to as many children from financially disadvantaged families as possible. Children enrolled in public school/public charter school, ages 7-16 and qualify for the USDA Free or Reduced Lunch Program are eligible to apply for SCOPE campership support.

SCOPE partners with nonprofit, residential summer camps around the United States, accredited by the American Camp Association (ACA). SCOPE partner camps recruit campers through community partner relationships and provide SCOPE campership applications to families that meet the requirements for SCOPE funding.

# SUMMER CAMP OPPORTUNITIES PROMOTE EDUCATION

## CAMP

Camp provides children with access to step outside the boundaries of their home life to...

- Live in a safe and nurturing environment
- Develop new skills, explore creative passions, and further individual interests
- Build social, emotional, and physical growth, foster leadership skills, and confidence
- Be challenged by new experiences through music, swim, arts, sports, and outdoor adventures
- Create life-long bonds of friendship and community with the support of positive adult role models

# SANFORD LAVITT EDUCATION FUND

Since 1992, SCOPE has provided more than 25,000 deserving children with the benefits of summer camp - positive identity and confidence; better social, physical and cognitive skills; and increased independence and leadership. Based on the belief that summer camp is a partner in the education of children, SCOPE is dedicated to affording outstanding camp opportunities to children from low income families, as we have for over 27 years. To strengthen the importance of the formal education of the children we serve, we ask SCOPE campers to stay in school and encourage them to do well and complete their education.

Our long term commitment to SCOPE campers is further enhanced through the Sanford Lavitt Education Fund, which will provide college or vocational school scholarships to children who remain in the SCOPE program and graduate from high school. It is through our focus on the year-round education of the total child that we can truly fulfill our mission: to help children from underserved communities succeed in life through the summer camp experience.

- The Lavitt Education Fund will provide college or approved vocational school scholarships for SCOPE campers
- Campers entering third, fourth or fifth grade each summer are eligible, beginning in 2013
- Children must stay in school, return to camp each summer, and graduate high school
- “Gap year” campership will be available for campers to return in leadership capacity as they age out of camper program

# SCOPE YOUTH PROJECTS

SCOPE is a great organization for children of any age to collaborate with as they approach a birthday, graduation, holiday, bar/bat mitzvah or other celebratory milestone they wish to raise money and awareness towards.

Through creative projects, events and activities SCOPE supporters fundraising efforts are directly responsible for giving children, whose families otherwise could not afford it, the chance to experience the magic of summer camp!

*Partnering with SCOPE empowers children to help other children gain access to similar experiences that otherwise would not be possible if not for their efforts.*

# THE POWER OF SUMMER CAMP: XAVIER'S STORY

“ Camp has influenced my life in many ways. Before I came to camp my grandfather promised to take me fishing but he passed away before we were able to go. Thanks to camp I learned how to fish, canoe, hike, and swim. These are all of the things my grandfather wanted to teach me before he passed away.

Camp has also given me positive male role models at a time I needed it the most. The counselors at Trail Blazers have been good role models. My counselor has inspired me the most... he has taught me to be confident and to never give up on myself. I look forward to seeing him every year.

The biggest reason camp has played such a big part of my life is because of my mother. Growing up my mother always talked about camp as being the best part of her childhood. My mother always told me about how her opportunity to go to camp changed her life for the better.

When I was old enough, I learned about SCOPE support. My mother looked forward to camp every year like I do. It makes me happy to be able to share this experience with my mother.”

# WHY I'M INVOLVED

*“Everyone deserves the gift of camp: the confidence I’ve gained, the friends I’ve made, and the amazing memories that have been created at camp are immeasurable. Through SCOPE, I want to be able to share this gift I was lucky enough to receive as a child with as many children as possible.”* – Robbie Gothelf, SCOPE Associate Board

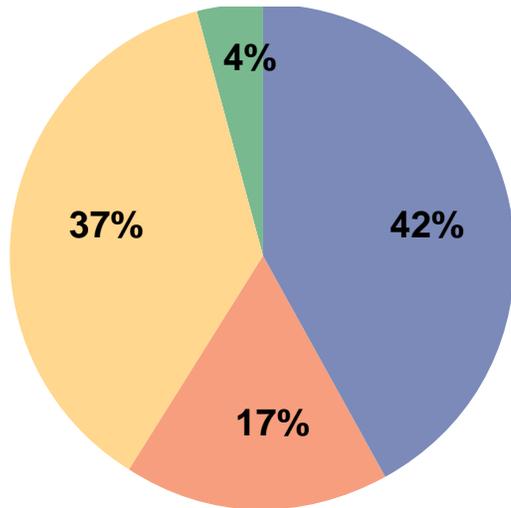

*“Children from underserved communities have the opportunity to experience the gift of camp through SCOPE’s mission. I know through my 10 years, camp has made a positive impact on my life. Helping others who might not have the same opportunity to experience this joy and magic is why I started a SCOPE club at my high school.”* – Ellie Krantz, SCOPE Junior Leadership Council
