

25 Years of making the dreams of summer camp a reality  
for children whose families simply cannot afford it  
2016 ANNUAL REPORT

# Our Mission

SCOPE (Summer Camp Opportunities Promote Education) provides children from underserved communities with life changing opportunities through the experience of summer camp.

SCOPE funds camp scholarships "camperships" to send children who commit to staying in school to nonprofit, resident camps which will empower them to develop to their full potential.

low-income public  
school students  
in America

Low-income students experience summer learning loss, which is one of the most significant causes of the achievement gap between lower and higher income youth and one of the strongest contributors to the high school dropout rate

# A Letter From Our Leadership

## To our incredibly generous SCOPE supporters,

In our 25th year we embarked upon new initiatives, participated in supporters' life milestones and all the while, you have made SCOPE your philanthropic destination. Thank you!

Maybe your relationship with SCOPE runs 25 years deep, or you are somewhat new to the growing SCOPE network – either way, we are ecstatic to have you as part of our community! We are grateful for your dedication and are appreciative of the

opportunities you have provided to the deserving children who have received SCOPE camperships. Not just today but into tomorrow and, with your continued support, for another 25 years!

Your contributions during the year through foundations, corporate sponsorships, community partnerships, events in your communities, personal fundraisers, individual donations, gifts in tribute of loved ones, or the simplicity of volunteering your time will help more and more children from the underserved communities we serve attend overnight summer camp. Because of you, these children are given the opportunity to explore outside the boundaries of their home life and experience what many of us refer to as the place that gave me the power to believe in myself... CAMP!

SCOPE helps to provide these very same children with their own camp experiences – introducing each child to new opportunities and a chance to learn valuable life skills from responsible mentors and role models. SCOPE camperships require these children stay in school and make positive contributions to their communities with the incentive to return to camp summer after summer. It is these very same SCOPE campers that will then be eligible for future support from the Sanford Lavitt Fund to receive scholarship money to help make the prospect of college a reality.

Yesterday we began the journey, today we made an impact, tomorrow we do it all again with the knowledge and experience to make it even greater. We appreciate your ongoing support and look forward to facing tomorrow together as we reach for SCOPE's next major milestone.

Sincerely,

**Mitch Reiter**, SCOPE Board President

**Molly Hott Gallagher**, SCOPE Executive Director

# How SCOPE Works

1. SCOPE raises funds from foundations, businesses, individual gifts, and fundraising events
2. SCOPE allocates funds to participating SCOPE camps to provide camp scholarships
3. Participating camps enroll campers; campers are selected in partnership with public schools, public charter schools, and community agencies
4. SCOPE campers make a commitment to stay in school in order to return to camp summer after summer
5. SCOPE campers who graduate from high school will be eligible for a college scholarship

# Why Camp?

Summer camp is an essential component of the year-round continuum and plays a critical role in helping children from underserved communities to thrive. The camp environment allows all children to grow socially, emotionally, and physically while providing them with meaningful and fun interactions with children and excellent adult role models.

While their more affluent peers are often enrolled in summer camps and programs that strengthen and reinforce learning, the vast majority of children in low-income communities have little or no access to these opportunities, resulting in an enormous achievement gap. SCOPE bridges this gap by making summer camp accessible to as many deserving children as possible.

**"I would like the chance to go back to camp again this year. At home, I sit in the house all day and occasionally ride my bike. I might go to the park, which is underdeveloped, or take a walk around the block. I think it is too crowded out in Brooklyn, because I have nowhere to go [to play]."**

# Why SCOPE?

SCOPE campers are children who are enrolled in public school (ages 7 – 16) and qualify for the USDA Free or Reduced Lunch Program. They attend nonprofit, American Camp Association (ACA) accredited, overnight camps in the New York Tri-State area, Midwest, Southeast, and Southwest.

SCOPE reinforces the connection between academic achievement and the enriched recreational and social educational experiences at summer camp.

By making a long-term commitment to our SCOPE campers, we seek to inspire and empower them to succeed as individuals and make a positive impact in their home communities.

# Sanford Lavitt Education Fund

Since 1992, SCOPE has provided more than 20,000 deserving children with the benefits of summer camp - positive identity and confidence; better social, physical and cognitive skills; and increased independence and leadership. Based on the belief that summer camp is a partner in the education of children, SCOPE is dedicated to affording outstanding camp opportunities to children from low income families, as we have for over 25 years. To strengthen the importance of the formal education of the children we serve, we ask SCOPE campers to stay in school and encourage them to do well and complete their education.

Our long term commitment to SCOPE campers is further enhanced through the Sanford Lavitt Education Fund, which will provide college or vocational school scholarships to children who remain in the SCOPE program and graduate from high school. It is through our focus on the year-round education of the total child that we can truly fulfill our mission: to help children from underserved communities succeed in life through the summer camp experience.

- The Lavitt Education Fund will provide college or approved vocational school scholarships for SCOPE campers
- Campers entering third, fourth or fifth grade each summer are eligible, beginning in 2013
- Children must stay in school, return to camp each summer, and graduate high school
- "Gap year" campership will be available for campers to return in leadership capacity as they age out of camper program

**THE VALUE OF  
EDUCATION:**  
SCOPE campers  
need our help  
more than ever!

By 5th grade, low-income children without summer learning opportunities are already two years behind their peers

# Young Leaders Board

The SCOPE Young Leaders Board (YLB) are camp-passionate, young professionals who believe that every child deserves access to summer camp experiences. Together the YLB aim to raise awareness and money to support SCOPE's mission. By creating meaningful, fun and impactful events and fundraisers the SCOPE YLB engage their networks to give back to children from less fortunate families by providing camp scholarships.

The YLB know that camp has the power to provide a lasting and positive impact in the life of a child.

Here's how the YLB gives back:

- Evening Events: 21+ Bar Night/Comedy Night out/Dance Party
- Cycle/Square Dance/Roller Skating Events
- Connect with Camp Professionals to spread SCOPE support through conferences and trainings
- Peer to Peer fundraising
- Community Art Projects
- Joining a SCOPE committee
- Partnering with the SCOPE Junior Leadership Council

Ways to get your network involved:

- Create a Team/Committee
- Matching Donations
- Corporate sponsorship/partnership
- Gifts in Kind (raffle and silent auction event prizes)

*The SCOPE YLB gives young professionals opportunities to create fun and impactful networking and social initiatives. These efforts will support the camp scholarships SCOPE provides to children whose families cannot afford the cost of camp.*

# Junior Leadership Council

The SCOPE Junior Leadership Council (JLC) increases awareness of SCOPE at the middle and high school level in surrounding communities to help raise funds for SCOPE camp scholarships.

The JLC earn **community service credit** by helping provide children from underserved communities with the opportunity to explore outside the boundaries of their home life and experience the magic of summer camp.

Young philanthropists can learn the value of giving back through FUNraising for SCOPE!

Here's How:

**Camp Survival Packs** – 200 Camp Survival Packs were filled with new summer camp essentials such as shampoo, sunscreen, toothpaste, and soap. The packs were given to SCOPE campers to help them have a happy, safe, and healthy summer.

[Survival Packs project page >](#)

**SCOPE Dream Boxes** – 40 dream boxes were given to campers at 4 SCOPE partner camps. Each box was filled with new camp and school supplies. These boxes give campers not only the supplies for camp and school, but the empowerment and tools to PURSUE THEIR DREAMS.

[Dream Boxes video >](#)

**JLC Initiatives** – JLC members create fun, engaging, and impactful events! Initiatives have included:

- School SCOPE Club: bake sale, cookie dough sales
- Swimming SCOPE Awareness Day at Camp
- Spin/Bowl/Fun Run Event
- SCOPE T-shirt/Bracelet/S'mores Sales
- Camp awareness events

# SCOPE Leadership Award

The SCOPE Leadership Award recognizes a member of either the SCOPE Young Leaders Board or Junior Leadership Council who demonstrates a strong commitment to improving the lives of children by providing summer camp opportunities to children in underserved communities through their efforts to support SCOPE. The award is presented at the Annual SCOPE Benefit Dinner in New York City.

## 2016 Award Winner

In 2016, SCOPE honored Camp Blue Ridge camper Erica Sosman with the SCOPE Leadership Award. Erica held a **We Spin For This** cycling event and a **Swimming for SCOPE Awareness Day** at camp. With support from her friends, family, and camp community, her philanthropic efforts provided a campership for a less fortunate child to attend summer camp!

"The lessons I learned over my past 9 summers at camp are valuable lessons for all children, not just the ones fortunate to have families who could provide them with the opportunity to attend summer camp. I [feel] that perhaps it could be ME to help less fortunate children learn the numerous life lessons that I learned at camp, many that are not best taught in a traditional classroom."

- Erica Sosman, SCOPE Leadership Award Winner

# The Power of Summer Camp

## Beyond the Boundaries of Home - Mustapha's Story

"Without my summer camp experiences, I wouldn't be where I am today. I was born and raised in Brooklyn, New York to parents who had just come from Nigeria. Starting at a young age, I have always had dreams. But I never had a concrete idea as to how to go about reaching those goals.

At 11 years old, my parents learned of a summer camp opportunity that I could be a part of. It could help me do something different with my summers. I was the first member of my family to attend any kind of summer camp so it was completely new and I was very willing to participate!

Camp provided me, as a young man of color, with a platform to build off of, showing me that there is more to the world outside my home and my neighborhood. This idea was instilled in me from being a camper and growing into a camp staff member. Although it took me well into my college years to have an idea of what I wanted to do, I did know that I wanted to help young people, just like camp and its staff helped me. I guess you can say that camp inspired me when I was younger and continues to do so today.

I see and know firsthand the positive impact camp has on children. SCOPE support plays a vital role in the lives of these young people. Thank you for providing me and kids like me with the opportunity to leave our 'normal' surroundings of home and grow, in unique ways as individuals at camp."
