Summer Camp Opportunities Promote Education

Junior Leadership Council (JLC)

SCOPE provides children from underserved communities with life-changing opportunities through the experience of summer camp.

We fund camp scholarships “camperships” to send children who commit to staying in school to nonprofit resident camps which will empower them to develop to their full potential and have the same experience you do at summer camp.

By being a member of the JLC you will earn **community service credit** by helping provide children from underserved communities with the opportunity to explore outside the boundaries of their home life and experience the magic of summer camp.

"The reason I want to go to camp is to get out of the environment. Where I'm from it's kind of hard to go outside and be with your friends. I go to camp to leave my neighborhood."
- SCOPE Camper

"Our goal as the JLC is for all children to have the opportunity to experience summer camp, just as we have."
-SCOPE JLC

The mission of the JLC is to increase awareness of SCOPE at the middle and high school level and in our surrounding communities in order to help raise funds for camp scholarships.

QUOTES FROM THE JLC'S...

"I got involved in the JLC because I know how special it is to have camp in my life. Camp allows me to make memories and connections that I will never forget. I want to be able to give this same experience to others." - Jenna (Camp Blue Ridge)

"Camp is an important part of my life, and it would make me feel so good if you could help me give a less fortunate child the opportunity to have the summer of a lifetime at a sleep away camp too."

-Brett (Camp Scatico)

"I had such a rewarding experience attending sleepaway camp, I am excited to help provide other children with the same experience and SCOPE is a terrific organization." - Ellie (Camp Blue Ridge)

SCOPE JLC GROUP PROJECTS

Camp Survival Packs 2017

The JLC's donated and packed 200 Camp Survival Packs that are filled with new summer camp essentials such as shampoo, sunscreen, toothpaste, toothbrushes, soap and will be given out to SCOPE campers while they're having the time of their lives at camp.

SCOPE LEADERSHIP AWARD

The SCOPE Leadership Award recognizes a member of either the SCOPE Young Leaders Board or Junior Leadership Council who demonstrates a strong commitment to improving the lives of children by providing summer camp opportunities to children from underserved communities through their support of SCOPE.

"Summer camp is the greatest place on Earth because when you're there everything around you isn't important; you're oblivious to the outside world by just living and enjoying the moment. Kids from underserved communities can benefit from the same camp experience by being able to enjoy what's in front of them and not worry about the outside."
