2019 – Julia Goldman

About the SCOPE Associate Board

THE SCOPE Associate Board, the future leaders of the organization, share their love of camp and understand the important role that summer camp plays in the development of children. This group of young professionals engages their peers in fundraising events and projects that benefit SCOPE's mission.

About the SCOPE Junior Leadership Council (JLC)

The SCOPE JLC is comprised of high school and middle school students who love summer camp and are motivated to give other children the chance to have the same wonderful camp experiences. With support from their families and friends, these young philanthropists create initiatives and projects that are inspired by their interests to help raise funds for SCOPE.

About SCOPE

SCOPE is an independent, nonprofit organization that provides children from underserved communities with life changing opportunities through the experience of summer camp. SCOPE funds camp scholarships 'camperships' to send children who commit to staying in school to nonprofit, resident camps which will empower them to develop to their full potential. SCOPE believes summer camp reinforces what children learn in school and enhances overall academic learning.
