

SCOPE X PRIVATE PREP

A Partnership That Gives Back

Helping students thrive

Private Prep, a leading provider of test prep, subject tutoring, and college admissions, has partnered with SCOPE to help guide students on their educational journey. Any new family that reaches out to Private Prep and mentions SCOPE will receive \$50 toward any service and we'll donate \$50 towards a SCOPE Campership when they work with Private Prep.

Together we'll support children from underserved communities and improve grades, increase test scores and develop study skills, all while building confidence.

\$50 for your child \$50 towards a SCOPE Campership

Schedule your in-person complimentary consultation today and mention SCOPE5050. Applicable for new students only.
