A Letter From Our Leadership

To our SCOPE Family,

As we proudly issue the 2018 SCOPE Annual Report, we acknowledge YOU, our greatest supporters, loudest advocates, and dedicated campership providers.

We recognize our incredible SCOPE partner camps and the children who ultimately benefit from the positively life-changing experiences overnight summer camp offers to them.

We express our gratitude for the SCOPE supporter camps who infuse their camp communities with philanthropic awareness and efforts to pay camp forward.

We applaud every youth and mitzvah project, Junior Leadership Council (JLC) initiative, Associate Board member, volunteer, SCOPE Board member and each and every one of you who took a moment from your life to give the gift of camp to provide over 700 camperships during the summer of 2018.

You have made overnight summer camp accessible for thousands of children. For one child in particular, Lena, you have made 7 years of camp opportunities within reach. You continue to give Lena the ability to explore outside of what she ever believed possible. You have empowered her to try harder and push further to make a difference in her own life.

Our annual goal is to impact the lives of even more less fortunate children than we did the year before. With our continued efforts and you as our partner, SCOPE's 29th year will be the most influential yet.

Thank you for your ongoing support for SCOPE and the commitment you provide to the children whose lives you are transforming. Together we can do even more! Join us on our endeavor to help camp get there first at scopeusa.org/campfirsts.

Thank you,

Beyond Camp

By providing summer camp opportunities, SCOPE promotes long-term educational success for the children we serve. These children commit to staying in school and are then eligible to return to camp year after year.

Northeast campers who have received SCOPE campership support for six or more years, and graduate from high school will qualify to apply for SCOPE college scholarship support through the Sanford Lavitt Endowment Fund.

By opening the door to summer camp opportunities with a focus on education, and through a long-term commitment to the children we serve, SCOPE seeks to inspire and empower children to make positive contributions to their communities and become self-sustaining adults.

HONORING JAY JACOBS

SCOPE Founder, Jay Jacobs received the 2018 ACA Legends of Camping Award at the SCOPE Benefit Dinner.

In Jay's words, *"If we give a child the [opportunity to] dream big – we'll be planting seeds. Then, together we can and will change a life..."* SCOPE camperships provide countless opportunities for children to transform their lives for a brighter future.

As Jay echoes Ben Appelbaum's words, *"Give as much as you can. Give until it hurts. And then give some more."* Join us to plant seeds for the future of the children SCOPE serves.

Give at scopeusa.org/donation.

Camp Got There First: Lena's Camp Story

Dear SCOPE,

Because of you, CAMP GOT THERE FIRST.

For 7 years, you have helped me to attend camp. And with your help, camp has provided me with life skills and lasting memories. Some of my summer takeaways include:

When I was 10 years old, I had kind staff to show me the way and made everything fun

When I was 11, I was grateful to have the opportunity to have fun for free at camp

At 12, I embraced time with my second family, the campers and staff

At 13, camp helped me develop character in a happy and fun environment outside of the city

At 14, I learned life lessons, like putting effort into everything you do and making my bed

At 15, I continued to work on my swimming skills and job preparedness skills

At 16, I gave back to my camp community by becoming a counselor and imparting what I've learned onto my campers

SCOPE helped my camp experiences become affordable experiences and it's through your support that so many children like myself are able to attend camp and hopefully, with your help, this trend WILL continue.

Thank you,

LENA
