# Our Impact: SCOPE Fiscal Year 2021

In a year of adjusting to life behind the screens, facing the world through a box on our devices, 2021 also empowered us to celebrate in any way we could.

We came together through virtual workouts and cooking classes, social hours and game shows, we even hosted our first virtual benefit to recognize and celebrate our honorees' contributions to SCOPE with love, adoration, and friendship from all over the world.

2021 was a celebration of happiness, good health, and the continued efforts to make overnight summer camp a reality for the hundreds of children SCOPE helps to serve each summer. As the camp community made a triumphant return to 3D friendship, fun, and togetherness at camp, our SCOPE community elevated their support to make camp accessible for ALL children!

*"This year was my best year at camp. It was a very stressful year, and camp was the break I needed. Thank you for helping me go to camp."*  
- Emma, Age 9

LET THE CELEBRATION CONTINUE...

## SCOPE College Scholarship Program

With the support of SCOPE's Sandford Lavitt Education Fund, 2021 marked the second year of our college scholarship program.

13 former SCOPE campership recipients received college scholarship support to any college program or vocational school of their choosing. Each student attended a Northeast SCOPE partner camp for six or more years with SCOPE support.

As we look ahead to 2022, 12 more eligible scholars will prepare to embark on the next stage of their educational journey with the support of this SCOPE program.
