

SCOPE Major Donor Report

Fiscal Years October 1, 2021 - September 30, 2023

Over the years, the SCOPE Major Donor report has illustrated our commitment to our vision and your dedication to the fulfillment of our mission. These reports have been issued in a somewhat untimely fashion; this year we hope to keep you, our great community, abreast of the current times and immediate successes that solidify the continuous need for our work. Amidst this report, we hope to remind you that our collective efforts will move SCOPE and the children we help to serve, into the future.

Doug Pierce - SCOPE Co-Founder

In the Spring of 2023 our Co-Founder Doug Pierce passed away unexpectedly. Doug was a committed advocate for making camp accessible for all children, and he brought joy into every room he entered. He jumped through hoops of fire to bring light and happiness into the lives of campers and families for decades.

"SCOPE is the best story the camp community has to tell." - Doug Pierce

He served as President of countless organizations, but was most proud to be a founder of SCOPE. Doug's legacy lives on in the hearts and minds of the countless lives he touched; his memory endures through the children who will benefit from overnight camp experiences for years to come.

SCOPE College Scholarship Program

With the support of SCOPE's Sandford Lavitt Education Fund, a total of \$200.000 has been awarded to SCOPE scholars since 2020.

Support started at \$2,500/scholar and has grown to \$3,500/scholar

"In camp I learned a lot about community and learning from my peers which helped me get adjusted into college especially for life and living away from home."

- Valentina

"I want to go back to camp because I made friends, I had fun, and I got to learn new things like archery. Camp means creating new bonds and being myself. "
