MISSION

SCOPE provides children from underserved communities with life-changing opportunities through the experience of summer camp.

SCOPE funds camp scholarships "camperships" to send children who commit to staying in school to nonprofit, resident camps which will empower them to develop to their full potential.

By providing summer camp opportunities, SCOPE promotes long-term educational success for the children we serve. These children commit to staying in school and are then allowed to return to camp year after year. Northeast campers who have received SCOPE campership support for six or more years, and graduate from high school will qualify to apply for SCOPE college scholarship support through the Sanford Lavitt Education Fund.

To you, our favored SCOPE supporters,

Thank you for being a part of our SCOPE-esphere. By participating in the 2024 SCOPE Benefit, you are a difference-maker in the lives of thousands of children, THANK YOU!

As we inch closer to our 33rd year of giving the gift of camp to our country's most vulnerable youth, your continued commitment to our efforts is what will propel SCOPE's work even further into the future. The support and dedication of so many individuals, camps, families, foundations, corporate supporters, and volunteers are integral in our ongoing growth and development.

Cheers of appreciation for our SCOPE board of directors, for actively engaging in meaningful, necessary conversation while participating in various efforts to increase SCOPE's reach, and make an even deeper impact.

Hugs of gratitude go out to our volunteer benefit committee comprised of 24 camp-passionate, SCOPE-committed supporters who take on the responsibility and advocacy of making this event SCOPE's best, year after year. Under the phenomenal, guidance and leadership of our 5-time Benefit Chair, Matty Layman and Co-Chair Andrew Berg, we are proud to welcome you to celebrate SCOPE and our 2024 Benefit honorees!

Renee Flax, 2024 Ben Appelbaum Advocate for Youth has dedicated over 25 years of her life's work at the American Camp Association, New York and New Jersey, to helping children and their families find summer camps that will match as a long-term fit. Renee is a year-round camp mom to camp professionals and loved by ALL. Her dedication to SCOPE encompasses years of event volunteerism; Renee's personal mission of making camp an opportunity all children can and will experience aligns seamlessly with SCOPE's efforts.

Hannah Bess, 2024 SCOPE Leadership Award and Jefferson Award recipient is a force of positive, epic proportion. As the SCOPE Junior Leadership Council (JLC) Chair, Hannah is an innovative, committed, thoughtful leader who has turned her personal privileged camp experience into her own crusade to make camp an experience all children have access to through her partnership with SCOPE. Timber Lake Camp was her gateway to SCOPE and she is now paving the way for many others to learn, know, and grow into positive philanthropic leaders in her wake.

Coleman Country Day Camp, 2024 Philanthropic Camp of the Year has been empowering and enthusiastically engaging camp families to support SCOPE's mission for decades, during the summer season and throughout the year. Under the leadership of the Coleman family, their staff, campers, families, and alumni continue to learn of SCOPE's work and take strides to give back, with CCDC's added motivation of providing matching gifts.

It is an honor and privilege to lead this organization in partnership with so many inspiring and dedicated supporters who truly believe in the power of camp. The benefits of the camp experience know no bounds and together we are removing the boundaries of access to do our part to make overnight summer camp possible for all children, thousands at a time. THANK YOU for joining us!

To the Supporters of SCOPE,

Welcome to the 2024 SCOPE Benefit! Tonight, we gather to celebrate the remarkable impact of SCOPE, coming together to acknowledge the dedicated efforts and support that make camp experiences possible. It's a moment to honor our community and recognize the contributions of our friends and colleagues.

As advocates for SCOPE, we understand the profound difference camp makes in a child's life. The transformative power of summer camp resonates not only within each camper but also within their families and communities. Together, our collective endeavors will continue to offer life-changing opportunities to thousands of deserving children every summer.

Tonight is more than just an event; it's a pivotal opportunity to raise funds that will open doors to overnight summer camp for even more children. Every contribution, no matter the size, is significant; we deeply appreciate the collaborative efforts aimed at achieving our goal of 100% participation from you, our SCOPE community.

The development of SCOPE's annual benefit requires immense dedication. We commend the creativity, passion, and diligence of our volunteer benefit committee. As you engage with committee members tonight and beyond, please express gratitude for their remarkable contributions to SCOPE's success and consider how you too can contribute in the future.

We extend our gratitude to the SCOPE Board of Directors for their unwavering support. This event, crucial to SCOPE's mission, wouldn't be possible without the tireless efforts of the SCOPE team. We thank Molly Hott Gallagher, Heather O'Dell, Choi Wah Garcia, and Deb Levy for their continuous involvement and support.

Tonight, we're delighted to recognize the recipients of the Ben Appelbaum Advocate for Youth Award, Renee Flax, the SCOPE Leadership Award recipient, Hannah Bess, and the SCOPE Philanthropic Camp of the Year, Coleman Country Day Camp.

On behalf of SCOPE and the children whose lives have been and continue to be enriched by camp experiences, we express our heartfelt appreciation for your ongoing support and participation.

Thank you for joining us, and we hope you enjoy this memorable evening! May you take pride in being part of realizing the dreams of countless children.

With much appreciation and gratitude,

Dear Friends:

Please accept my warmest greetings as you gather with the wonderful Summer Camp Opportunities Promote Education (SCOPE) for its 2024 SCOPE Benefit. I am grateful for the opportunity to recognize the fine work of SCOPE and this year's honorees on this wonderful occasion.

Since its inception in 1991, SCOPE has helped more than 27,000 vulnerable children from the Tristate area attend sleep-away camp. During the summer of 2023, SCOPE helped to deliver over 1,000 camp scholarships. By facilitating impoverished children's access to camps, SCOPE has provided incredible enrichment experiences, a rigorous educational program, and created lifelong friendships. SCOPE's efforts have had a significant impact on many children's communication skills, character, and self-esteem. I appreciate SCOPE for giving New York's students an unforgettable experience that will help them grow into responsible and effective members of our community. There is no more noble cause than providing children with the tools they need to prosper, and eventually, strengthen our democracy.

Furthermore, I would like to take this opportunity to congratulate tonight's honorees: **Renee Flax**, recipient of the Ben Appelbaum Advocate for Youth Award; **Hannah Bess**, recipient of the SCOPE Leadership Award and **Coleman Country Day Camp**, recipient of the SCOPE's Philanthropic Camp of the Year. I am honored to join everyone gathered here tonight in congratulating tonight's honorees for their dedication in ensuring that our youth have accessible and memorable opportunities to grow and learn.

Again, congratulations and thank you for your hard work and dedication on behalf of all New Yorkers. I know SCOPE will continue to serve our youth for many years to come. Best wishes for a wonderful event.

Sincerely,

Charles E. Schumer

April 10, 2024

Dear Friends:

It gives me great pleasure to welcome everyone as Summer Camp Opportunities Promote Education (SCOPE) hosts its 2024 benefit.

My Administration is committed to equipping our youth with the tools they need to chase their dreams and mature into well-rounded adults. To do this, it is vital that we take advantage of the many enrichment opportunities that summer has to offer. That is why, at the start of the new year, my team and I invested \$80 million into Summer Rising, a City program that connects elementary and middle schoolers to fun, hands-on experiences that strengthen their academic and social skills. For more than three decades, SCOPE has been an invaluable ally in this effort and a force for youth empowerment. This organization has provided low-income families with financial scholarships, or "camperships," to attend accredited camps in exchange for a promise to stay in school. In doing so, it has pushed back against the tide of summer learning loss and instilled a newfound sense of confidence and curiosity in campers. It has also introduced participants to exciting recreational activities, from surfing and horseback riding to bracelet making and pickleball. In recognition of its positive impact, I am pleased to commend this association for its dedication to nurturing our children's creative spirits and forging a more equitable future.

On behalf of 8.3 million New Yorkers, congratulations to all of this year's honorees. I extend my best wishes for a delightful and rewarding event.

Sincerely,

Eric Adams
Mayor

SCOPE is honored to recognize long-time SCOPE supporter Renee Flax for her commitment to changing the trajectory of children's lives through providing overnight summer camp experiences!

CONGRATULATIONS

The SCOPE Board of Directors Congratulate
2024 Ben Appelbaum Advocate for Youth Award Recipient

Renee Flax

The Ben Appelbaum Advocate for Youth Award is given annually to an individual or organization that demonstrates a commitment to improving the lives of children.

RENEE FLAX • • • • •

Renee Flax is honored to be the recipient of the 2024 Ben Appelbaum Advocate for Youth Award. For 26 years, Renee has been the Director of Camper Placement for the American Camp Association, NY and NJ. She has helped thousands of families find the right camp for their children and has enjoyed every camp conversation she has had with families. This recognition by SCOPE for her dedication to children means the world to her.

It's hard to believe now, but Renee was a shy and quiet nine-year-old when she first went to Camp Kinder Ring in Hopewell Junction, NY for her first summer. Renee credits her camp experience with finding her voice and building up her confidence. Camp truly changed her life. She reflects on her own transformative camp years each time she helps a family find a camp for their child.

Renee is recognized as an authority on camp and has been featured discussing camp in numerous media outlets including the Associated Press, The New York Times, New York Post, Newsday, New York Family and New Jersey Family, among others. She graduated from Syracuse University with a degree in Early Childhood Education and worked for nine years at PC Concepts, a computer consulting company, before joining ACA, NY & NJ.

Renee is well-respected and admired in the camp industry for her kindness, candor, and her keen ability to capture the essence of a camp's philosophy and program, and to be able to describe it perfectly to a family. She listens intently to each family as they describe their child and easily narrows down the options so a family can choose the camp that feels right for their child. Renee is adored by camp professionals, families she works with, the ACA, NY & NJ staff and her loving family.

A resident of East Brunswick, NJ, Renee was married for 40 years to her beloved late husband, Jerry. She is thrilled to share this evening with her two wonderful daughters, Melissa and Jennifer, her sons-in laws, Michael and Alex, and her four grandchildren, Mackenzie, Madison, Amelia and Jacob, whom she loves with her whole heart. She is affectionately known as Gogo to her family (and now many in the camp industry) as well as "The Camp Bubbe" among her closest friends in the industry.

Hannah Bess

The SCOPE Leadership Award recognizes a member of either the SCOPE Associate Board or Junior Leadership Council who demonstrates a strong commitment to improving the lives of children by providing summer camp opportunities to children from underserved communities through their support of SCOPE.

HANNAH BESS • • • • •

Hannah Bess, a senior at NYC Museum School in Manhattan, NY, first learned about SCOPE while attending Coleman Country Day Camp, and continued to learn about the organization at Timber Lake Camp. Motivated by her enthusiasm for giving back, passion for helping others, and love of camp, Hannah joined the SCOPE Junior Leadership Council (JLC) in 2020. In 2022, she went on to become the first-ever chair of the JLC Board. Hannah takes great pride in sharing SCOPE's mission with her peers and broader community.

Throughout her commitment to SCOPE, Hannah has run shopping events at her favorite local clothing store, worked with fellow JLC members to create an apparel company where the proceeds support SCOPE, organized a large-scale ice skating event entitled "Skatin' for SCOPE," sold Super Bowl boxes and March Madness brackets, and hosted several other unique fundraising initiatives. Hannah has volunteered at previous SCOPE benefits selling raffle tickets and engaging with guests. Additionally, during the past two summers, Hannah created and executed a camp-wide SCOPE fundraiser at Timber Lake Camp, which involved camp families purchasing raffle tickets to be entered to win VIP parking passes on Visiting Day. Through all of her efforts, to date, Hannah has raised nearly \$45,000, helping to fund more than 30 SCOPE camperships.

Hannah feels deeply honored and appreciative to receive the 2024 SCOPE Leadership Award. She is incredibly thankful to the SCOPE team; Molly, Choi, Heather, and Deb who have fostered Hannah's desire to positively change countless lives through summer camp. Recognizing the pivotal role of camp, where her journey began, Hannah cherishes the experiences she gained at Coleman Country Day Camp and Timber Lake Camp. She considers herself privileged to have attended these premier camps, which provided her with transformative moments that led her to where she is now. Hannah is most grateful to her parents for giving her the opportunity to attend camp, and to her extended family and friends for being so supportive of her work at SCOPE. She is eager to continue helping SCOPE in the future and further her work in giving back to the community that has given her so much!

COLEMAN COUNTRY DAY CAMP

Coleman Country Day Camp is honored to receive the 2024 SCOPE Philanthropic Camp of the Year award.

At Coleman Country,
WE DREAM BIG!

Over 40 years ago, Marla and George Coleman envisioned a kid-safe and

kid-centric community where children of all ages could uncover their best selves. That's what Coleman Country was then, is today, and will continue to be in years to come – a place where kids can truly "Discover the Spirit" of summer camp.

At Coleman Country, campers are inspired to explore, to learn, and to grow. It is this foundation that will allow them to reach their full potential long after camp is over.

Coleman Country has been proud supporters of SCOPE since its inception more than three decades ago. Events like TikTok dances, Swim-a-Thons and Fun Runs are but a few of the various events we have organized in the past to promote SCOPE and its mission. The CCDC family is always eager to participate, and we certainly look forward to continuing these events in the future.

We are most thankful to receive this award and accept it on behalf of our camp community. We look forward to continuing to help SCOPE bring the magic of summer camp to all children.

CHAMPIONS OF THE CAMP EXPERIENCE

The SCOPE Associate Board is made up of young professionals, ages 21+ who leverage their expertise, networks and resources to help advocate for SCOPE.

The Associate Board members are believers and champions of the camp experience. Members believe camp has the power to provide a lasting and positive impact in the life of a child, and support SCOPE's mission to provide camp scholarships to as many children from low-income families as possible.

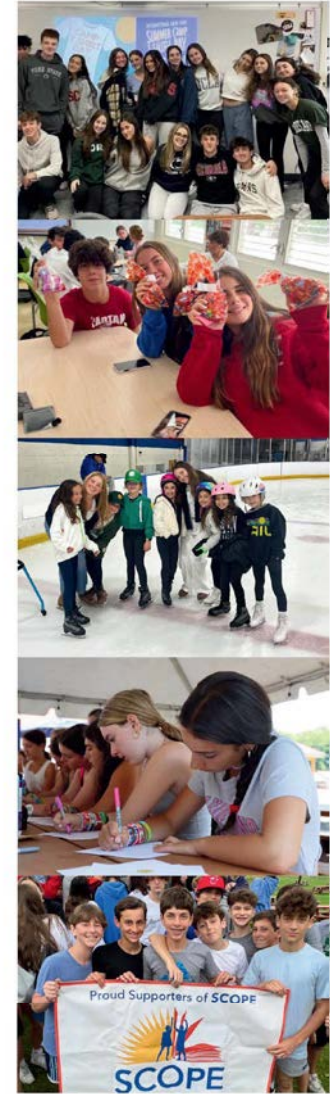

To get started, email deborah@scopeusa.org

A NEW GENERATION OF LEADERS

The Junior Leadership Council (JLC) is comprised of teens, grades 8th-12th, who meet virtually once a month to discuss new initiatives for raising awareness, fundraising, and giving back through volunteer hours. This is done through collaborative efforts, self-led initiatives, school and community clubs, in-person and virtual fundraising events, as well as by engaging their camps philanthropically.

Each involved teen develops a creative avenue of support for SCOPE's mission with the guidance of the SCOPE professional staff and SCOPE Associate Board volunteers.

**DOUG
PIERCE**

On April 5, 2023 the world and the camp industry lost one of the greats. One year later, in the wake of Doug Pierce's passing, we hold onto the many memories of Doug and reflect on the deep impact he has made and continues to make on the lives of countless people, including SCOPE campership recipients. In 2023, after Doug's passing, the outpour of support to SCOPE provided more than 70 children with access to overnight summer camps.

Doug was a giant among us all. He had a giant voice that commanded attention. He shared giant stories that kept listeners engaged with every word. He had giant ideas that inspired giant opportunities, including co-founding SCOPE. He showed a giant love for his giant family and friends. He took giant leaps through hoops of fire to awe and delight children of all ages. His kindness was giant, his presence was giant, his commitment to Pierce Country Day Camp and Camp Birchmont continues to make giant impact in the lives of campers, staff, and families.

Doug's giant love of golf inspired the annual SCOPE golf tournament to be named in Doug's memory and legacy. In loving memory of Doug Pierce, we will celebrate his life and commitment to making a giant difference in the lives of all children, at the Doug Pierce Memorial SCOPE Golf Classic year after year.

MERYL TRANSPORT

Meryl Transport's infectious personality and ability to always make others laugh made anyone that knew her, feel like a dear friend. Meryl's commitment to the camp experience spanned through years at resident camp and deep into her time with Crestwood Country Day Camp and School.

On October 4, 2023 after a long, strong fight, Meryl passed away. In memory of Meryl's commitment to bettering the lives of all children, supporters of the Transport family; friends, colleagues, and many of Meryl's former campers and camp families have contributed to making camp possible for those who otherwise would not have the opportunity. This summer more than 25 children will benefit from overnight summer camp, in loving memory of Meryl Transport.

SHEILA MANCHEL

In October of 2023, Sheila Manchel passed away; Sheila was an overnight camp pioneer and a force of nature who fiercely loved her camp families for over 60 years, as well as her own husband, children, and grandchildren.

Nothing would make Sheila happier than knowing that 25 deserving children are being helped to go to overnight camp in her memory in the summer of 2024.

I WANT TO GO BACK TO CAMP...

To get off the hot summer streets and be in nature

To be with my besties

To disconnect from social media and actually be social
