THE POWER OF SCOPE

Our mission at SCOPE is to provide children from low-income families with life-changing opportunities at overnight summer camp to help them to thrive and grow at camp and beyond.

Not all children are fortunate to have access to camp, now through your support all children can benefit from the camp experience. Your efforts can empower children and encourage them to reach their full potential which can help change the trajectory of their lives.

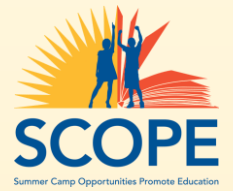

SCOPE ACHIEVEMENTS

Studies have shown that camp builds self-confidence, improves social skills, and benefits children's mental health. But for many, camp is out of reach. That's where SCOPE comes in...

SCOPE NEEDS YOUR HELP

Camp is an incredible place to build friendships and learn life lessons that will last a lifetime. SCOPE relies on the efforts of camp passionate supporters to help children whose families do not have the resources to gain access to these experiences.

CAMPERS' STORIES

"I live in the city so there is not much to do as a kid. But camp gave me the opportunity to experience what it is like to be a kid and do things a kid should do. Like having the opportunity to run around and play because there is no open space in Brooklyn."

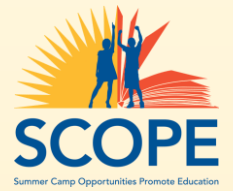

Peter – Surprise Lake Camp

"Every summer for the past 5 years I have had the opportunity to go to camp, my second home. The thrill and excitement I get from going to camp is such an amazing feeling! Once you go to camp you will come back as a better person and that is truly how I felt."

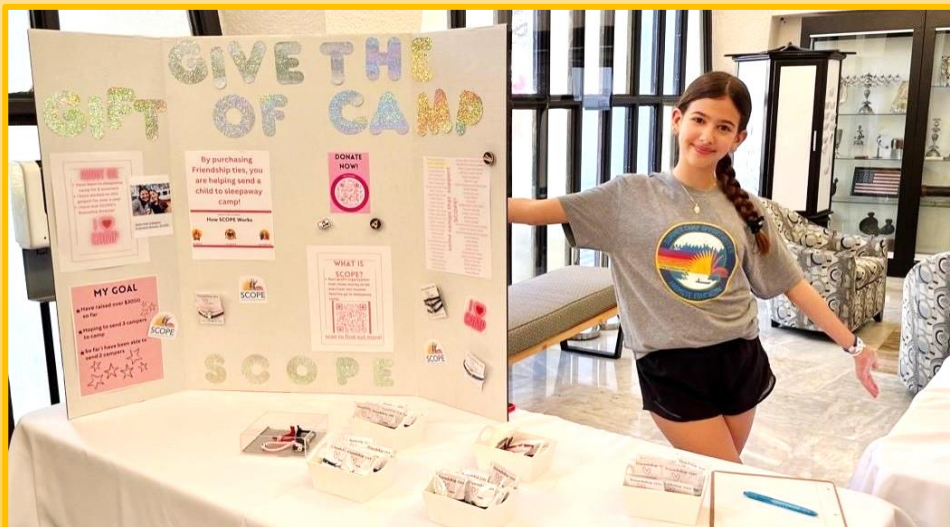

Nuwany - Fiver Children's Foundation

ANNABELLE'S PROJECT

To help give children a similar camp experience to hers, Annabelle made and sold handmade bracelets to her friends, family, and camp community. The money she raised impacted the lives of SCOPE campers for the better.

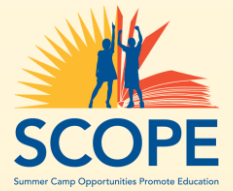

“Sleepaway camp is my happy place, and I would love for more children to have the opportunity to go so I chose to work with SCOPE. ”
