

SCOPE Junior Leadership Council

(JLCC)

Our Mission

SCOPE (Summer Camp Opportunities Promote Education) provides children from underserved communities with life-changing opportunities through the experience of summer camp.

We fund camp scholarships, “camperships” for children who commit to staying in school, so they can gain access to attend nonprofit, residential, ACA-accredited summer camps, at no cost to their family.

What is the JLC all about?

The JLC is composed of teens, grades 8th-12th, from across the US, who meet virtually once a month to discuss new initiatives for raising awareness, fundraising, and giving back through volunteer hours.

Each teen develops a creative avenue of support for SCOPE's mission which is done through collaborative efforts, self-led initiatives, school, and community clubs, fundraising events in-person and virtually.
