How to Personalize Your Page

It's time to make sure your Fundraising Page stands out from the crowd. The more you make it your own, the more compelled people will feel to donate.

1. Visit your Fundraising Page (www.justgiving.com/...), click 'Log in' in the top right and enter your log in details. (If you have not left your page after you created it, you will not need to do this).
2. Click 'Edit your page' in the top left.
 - Edit and personalize your page
 - Edit your fundraising target/goal (\$1,500 send a child to camp for two weeks in the Northeast; \$750 send a child to camp for two weeks in the Midwest, Southeast, and Southwest)
 - Add photos: Those who add a photo to their page tend to raise 14% more!
3. Kick off your fundraising by making the first donation.

Your fundraising page is ready to be shared! Thank you for making a difference by supporting SCOPE!
Your efforts will be giving the gift of camp to children from financially less fortunate families this summer!
