## SCOPE: NEW PATHWAYS TO POTENTIAL

When you level the playing ground of possibility, you give all children new pathways to potential. A nonprofit funder of camp and college scholarships to children from under-resourced communities who promise to stay in school, SCOPE provides access to safe spaces to learn, grow and discover new possibilities. SCOPE's network of community-led camps are committed to Social and Emotional Learning (SEL) that gives children the sense of belonging and emotional resilience that opens up pathways to fulfill their potential.

At SCOPE, we offer children a path to camp so they can build self-esteem, connect with nature, nurture friendships, conquer new challenges, learn skills in arts, science, sports, and so much s'more!

Why? Because everything children get to try, discover, and conquer at camp creates a path to even greater possibilities in school, college, their careers, and the rest of their lives.

And because camp is awesome. Thank you for supporting SCOPE, as we continue to pave **The Path to Camp and Beyond.**

**IN MEMORIAM**

We thank those who made contributions in memory of beloved members of our SCOPE community and honor those we have lost.

*"Receiving this scholarship means far more than assistance, but signifies belief in my academic journey; it will contribute to my educational advancement and bring me closer to achieving my goal of obtaining a PhD in the future.*

*My heartfelt thanks to those involved in making such opportunities possible."*

## SCOPE COLLEGE SCHOLARSHIP PROGRAM

SCOPE campership recipients are committed to their education in order to return to camp each summer. After attending a Northeast SCOPE partner camp for six years or more, recipients are eligible to apply and receive partial college scholarship support through SCOPE's Sanford Lavitt Education Fund.

Support started at \$2,500/scholar in 2020 and has grown to **\$3,500/scholar** to support their educational journey.

## Campership Funds Allocated

Over **28,300** camper sessions provided since 1992

## 2024 SCOPE SUPPORT PER CAMPERSHIP

**\$1,500** sends a child to camp in the Northeast

**\$750** sends a child to camp in the Midwest, Southeast, and Southwest

SCOPE is developing a plan to increase campership value year by year to keep up with rising economic costs.

## SCOPE PARTNER CAMPS

Children benefited from enriched programming at 67 diverse, nonprofit, overnight summer camps around the United States. Each SCOPE partner camp is accredited by the American Camp Association (ACA) and is required to maintain compliance with ACA standards, accept campers at agreed upon SCOPE allocated tuition cost, and refrain from asking assisted families for any additional fees.

## CAMPERSHIP ELIGIBILITY

Children enrolled in school, ages 7-16 and who qualify for the USDA Free or Reduced Lunch Program are eligible to apply for SCOPE campership support through a SCOPE partner camp.
