

9th Annual - CAMP IT FORWARD WITH SCOPE
Camp Participation Agreement

What is Camp it Forward with SCOPE (Summer Camp Opportunities Promote Education)? A chance for YOUR camp to offer YOUR camp families the opportunity to win **FREE tuition** (including winning their paid tuition BACK) for camp THIS summer, 2025! All proceeds from participating families will support SCOPE, to help give the gift of summer camp to children from low-income families to attend nonprofit, American Camp Association (ACA)-Accredited, overnight, SCOPE partner camps.

How many camps are participating? There is no minimum or maximum of participating camps. There will be at least two selected families: **ONE** Resident Camp drawing and **ONE** Day Camp drawing (possibly more depending on camp entries). Families can Camp it Forward for a chance to win free tuition at their camp (Resident/Day or both). Even if the child is already enrolled, the **WINNERS'** tuition will be reimbursed by the camp. All camps agreeing to participate must sign and submit this form to SCOPE: Molly@scopeusa.org

How does the camp receive payment for the tuition of the winner? Each participating camp (Resident and Day) commits to covering the cost of an even-portioned share of tuition split among the number of participating camps. This split includes the camp of the participating winner (Resident and Day). Expected payment date around May 15, 2025. *Example:* If 11 Resident camps participate, the child of the winning family goes to a camp with a \$10,500 tuition, all 11 camps will owe 1/11 of the \$10,500 = \$954.55 per camp, paid to SCOPE within 2 weeks from the drawing date. If we reach more than 20 participating camps from resident, day or both, we will draw two winners from each group.

How much does it cost to participate in Camp it Forward with SCOPE? \$100 per ticket

How many tickets can a family buy? As many as they would like, \$100 per ticket

Where do they buy the tickets? On the [Camp it Forward with SCOPE](#) website– all participating camps logos will be listed on the page and each family will fill in the name of the camp on their entry. Ticket sales will close at noon on Tuesday, April 8, 2025.

When and where will the drawing be held? The [2025 SCOPE Benefit](#), Wednesday, April 9, 2025 - Live! The SCOPE staff will notify the winning families personally by Friday, April 11, 2025. Winner need not be present.

Who will conduct the drawing? The SCOPE staff (as they have no bias opinion or obligation to any camp)
