

TiCK MiTT

Tick Protection for People & Pets

Product Description

As seen on national TV, TiCK MiTT is a game-changing, non-toxic tool designed to protect kids and staff from tick encounters during outdoor adventures. Our reusable mitt, developed with a tick scientist, uses scientifically-engineered fabric to find and remove ticks from clothing, skin, and hair before they embed—all with just a few swipes.

Perfect for:

- Camp Packing Lists
- Outdoor Adventure Programs
- Maintenance and Camp Staff
